REGULAR COUNCIL MEETING
COUNCIL CHAMBERS
JULY 20, 2004
9:00 A.M.

The City Council met in regular session at the above place and date. Mayor Joe Wardy present and presiding and the following Council Members answered roll call: Susan Austin, Robert A. Cushing, Jr., Jose Alexandro Lozano, John F. Cook, Daniel S. Power, Paul J. Escobar, Vivian Rojas and Anthony W. Cobos. Absent: None. Meeting was called to order at 9:00 a.m. and the invocation was given by Police Chaplain Carlos Flores, followed by the Pledge of Allegiance to the Flag of the United States of America.

Mayor Joe Wardy recognized the 32 military students, in the audience, attending the Sergeant Major's Academy. Representative Cook added that the academy semester had been lengthen to nine months.

Mayor Joe Wardy requested the audience maintain decorum.

Item: Discussion and action on ASARCO Air Permit Application, Number 20345, Texas Commission on Environmental Quality (TCEQ) Docket Number: 2004-0049-AIR, and the City of El Paso's position to said application. [State Senator Eliot Shapleigh]

Representative Cobos requested that the addition to the agenda item "Discussion on Mexican candy with high lead content" be discussed simultaneously.

State Senator Eliot Shapleigh recognized the students from the Sergeant Major's Academy and stated that El Paso was not on Toyota's short list due to our air quality.

Representative Cushing interjected that the Senator's statement was unreasonable and added that there were a variety of issues why Toyota had selected San Antonio. He requested that the discussion be devoid of inflammatory statements.

Senator Shapleigh gave a Powerpoint presentation (on file in the City Clerk's office) regarding ASARCO Air Permit Application, Number 20345. He explained that two months ago he had approached Texas Commission on Environmental Quality ("TCEQ") requesting that they hold a public hearing in El Paso on two issues: 1. What will 7,000 tons of pollutants do to El Paso's air quality; and 2. ASARCO'S compliance history for the past five years demonstrating that ASARCO does not live up to its word and denies responsibility. He requested that the Council attend that public hearing, put on a case, and defend the community. He enumerated the parties to suit, 1. ASARCO; 2. TCEQ's Executive Director, 3. Office of the Public Interest Council; and 4. City of El Paso. He stated that the City was the only entity who could move the issue forward. He stated ASARCO had filed a brief in Austin to try to kill the hearing. No brief was filed on behalf of El Paso.

He asked that the Council get involved, take a strong stand, put on a public hearing to discuss the 7,000 tons of emissions and what would happen to the quality of life in El Paso if we do not have a responsible corporate citizen regarding El Paso's air quality.

Mayor Joe Wardy stated that El Paso was on record at TCEQ for the contested case hearing and that the Council has stated publicly, numerous times, that El Paso would contest ASARCO's ability to continue its operation.

Senator Shapleigh responded that he had written a letter to the Mayor the same day he set the hearing, explaining that the City had to file a brief the next day by 5:00 p.m., due to ASARCO's desire to kill the hearing. He added that the Council had voted 6-1 not to file the brief. He wrote a second letter, outlining the posture of the case, asking the City to get involved and requesting that the City inform the Senator what action the City was going to take. He received no response. He explained that only after he placed the agenda item for today's meeting did he receive some response from the City.

Mayor Wardy disagreed and stated that the Senator's comment was disrespectful to the Council. He added that the Council had never waived on its position for a contested case hearing with ASARCO; however, Council chose not to file a brief regarding ASARCO and TCEQ on the issuance the contested case hearing.

Senator Shapleigh responded that it was unclear to the public what the position of the Council was.

Representative Cook gave a Powerpoint presentation addressing the City's position on ASARCO's air quality permit renewal and the sequence of events. He summarized that, not only would the City testify at the public hearing, but would also be a full participant in the contested case hearing, to include the use of Legal Department staff and any necessary consultants.

Senator Shapleigh stated that the public does not want 7,000 tons of air contaminants in their air. He requested that the City actively participate in the public hearing in El Paso and hoped the Council would sponsor a resolution.

Representative Power made the following motion: That the City Council of the City of El Paso reiterate its existing position in opposition to the issuance of ASARCO's application for Air Permit Renewal No. 20345. Representative Lozano seconded.

Senator Shapleigh responded to questions of Council Members. Representatives Cobos and Rojas requested that Senator Shapleigh comment on their agenda items regarding Mexican candy with high lead content and issues relative to the Adult Protective Services. Senator Shapleigh responded that he had no notice of their desire that he appear to address those items, but that he would do so if he were still in the audience if they up for discussion before 10:30 due to his set appointments for the day.

The following individuals spoke in opposition to the air quality application renewal

Ms. Yvette Ramirez-Ammerman, citizen, explained that her family had moved to El Paso three years ago and that her then one-year-old daughter had since become contaminated by the lead in the soil in their backyard. She stated that while some children may not be damaged by lead exposure, for others, the damage is permanent and irreversible. She respectfully asked the Council to stand strong on the issue.

Mr. Mark Heins, native El Pasoan, grew up in the Kern/Mission Hills area and is a local businessman, owner of the Greenery Restaurant, remembers tasting sulfur dioxide, day in and day out, and not being able to take a full breath of air. He asked that, in addition to the motion, the Council consider bringing members of the community together to form committees that would diligently, effectively, and legally use the processes afford to its citizens and government to move forward and make El Paso a better place. He thanked the Council for taking the time to listen, making the commitment and earning the respect and thanks of a community.

Mr. Andy Krafur, former bankruptcy trustee/bankruptcy attorney and President of Spira Footwear, noted that for 100 years, ASARCO operated as a lead smelter in an unregulated environment. He stated that, at a minimum, it was imperative that a thorough and independent assessment be done of the ASARCO facility, regardless of whether or not it was to be reopened. He made comments regarding bankruptcy and issues pertaining to clean up claims against ASARCO. He stated that the goal of Spira Footwear was to be a great company and to make El Paso a great city and that to achieve that goal of economic vitality the quality of life, including air quality, has to be improved.

Mr. Casey Antonio Williams, citizen, thanked the Council for approving the demonstration walk permit allowing citizens of El Paso to organize and rally against the ASARCO issue. He responded to comments previously made by Representatives Cushing, Austin and Cook and thanked Representative Lozano for his support in siding with the community and recognizing that the matter deserved a second look.

Mayor Wardy interrupted Mr. Williams and asked him not to preach to the Council, but to stick to the facts.

Mr. Williams then outlined his facts regarding ASARCO as an air polluter and one's participatory democracy demonstration by the crowd at Council today.

Representative Power amended his motion to include the following language: "and that the City will be a full participant as a named party in the contested case hearing". Representative Lozano seconded.

Motion made by Representative Power, seconded by Representative Lozano and unanimously carried that the City Council of the City of El Paso reiterate its existing position in opposition to the issuance of Asarco's application for Air Permit Renewal Number 20345 and that the City will be a full participant as a named party in the contested case hearing.

AYES: Representatives Austin, Cushing, Lozano, Cook, Power, Escobar, Rojas, Cobos, and Mayor Wardy
NAYS: None

NOTE: This item was discussed together with discussion on Mexican candy with high lead content.

.....
At this time, Council Members took a five-minute break.

.....
Mayor Joe Wardy reconvened the meeting.

.....
No action was taken on the discussion on Washington Trip and Success Stories.
[Phyllis Rawley, Executive Director for the El Paso Empowerment Zone]

Ms. Phyllis Rawley, Executive Director for the El Paso Empowerment Zone, presented and informed the Council with the Success Stories booklet for the 15 Round II Urban Empowerment Zones. She noted that the El Paso Empowerment Zone was entering its fifth year of operation (designated in 1999) and that to date had received over \$24 million in funding, less than half of what had been intended and promised (\$10 million per year). She reiterated that \$308 million dollars allocated to the 15 Empowerment Zones, representing 90% of funding for Empowerment Zone, had been obligated and resulted in a total of \$3.6 billion in direct and indirect support to residents. She answered questions from and responded to comments made by the Council Members.

Representatives Austin, Rojas, Escobar, Power, and Lozano asked questions of Ms. Rawley.

Mayor Joe Wardy commended Ms. Rawley on her good work.

.....

Motion made by Representative Cobos, seconded by Representative Cushing and unanimously carried to postpone one (1) week the following item: Lead. [Lisa Turner]

.....
Motion made by Representative Cobos, seconded by Representative Escobar and unanimously carried to move to the forefront of the regular agenda the discussion on Adult Protective Services Program and how the El Paso City Council can assist and enhance services with State Officials and local agencies.

AYES: Representatives Austin, Cushing, Lozano, Cook, Escobar, Rojas and Cobos

NAYS: Representatives Power

Mr. Terry Hammond, guardianship and estate planning and probate attorney, made remarks regarding several cases of elderly person neglect by the Adult Protective Services ("APS") and the subsequent Executive Order for an independent investigation issued by Governor Rick Perry. He stated that the State of Texas appropriates \$30 million a year to the Texas Adult Protective Services system and that the monies received for El Paso County APS has not been appropriately spent on APS client. He remarked that the City and County of El Paso, collectively, have not stood up to the Health and Human Services Commission, the Governor's Office and the Texas Legislature expressing outrage and requesting that these issues be addressed. He stated that any assistance from the Council Members would be greatly appreciated.

Representative Cushing asked Mr. Hammond what the Council could do to assist and thanked Mr. Hammond for coming today and voicing the concerns of those who could not do so for themselves.

Mr. Hammond requested that the Council Members speak to Governor Perry, Health and Human Services Commissioner, Albert Hawkins, the House Committee on Human Services, and the El Paso legislative delegation. He believed that the City Council and Commissioners Court members should communicate collectively with both the Legislature and State governments. He expressed that the issues of elderly neglect, abuse and exploitation are ongoing and continuous and suggested that the APS policies and procedures and employee training be revised and updated and that APS clean house of personnel leaving the persons at risk.

Representative Escobar complimented Mr. Hammond and Judge Hicks for their great efforts and compassion in representing the elderly population.

Representative Rojas explained that APS had been reorganized four years ago; however, the same problems/concerns exist today.

Representative Cook proposed that the City draft a strongly worded resolution and submit companion resolutions to the County Commissioners. He asked Mr. Hammond what support he had received from the State delegation on the matter.

Representative Cobos requested that Mr. Hammond avail himself to the Council for any questions and/or concerns that they may have.

No action was taken on the discussion on Adult Protective Services Program and how the El Paso City Council can assist and enhance services with State Officials and local agencies.

.....
No action was taken on the discussion on the lack of action by local State Representatives to respond to the over 400 residents of Council District #7 who signed a petition against the Cedar Oak Townhomes development project being built in their area and have not obtained a response to their request. The residents want their voices to be heard in Austin regarding this issue.

NOTE: Item was moved to the forefront of the regular agenda.

Representative Rojas introduced Ms. Dora Y. Oaxaca, representative from the office of State Representative Chente Quintanilla and noted that she would research the possible rezoning of the area to C-4 - excluding apartment construction as suggested by Representative Quintanilla. She stated, for the record, that currently 839 Section 8 and/or low-income apartments exist, with the possible addition of the 500 units within the Cedar Oak Townhomes development, 1,300 low income units would encompass that general area.

Ms. Oaxaca read a letter into the record from Representative Quintanilla and added that the Representative strongly supports the opposition of the proposed development; however, he strongly supports low cost tax credit affordable housing and public housing in his district, due to his opposition to the proliferation of colonias.

Mr. Art Rivera, citizen, read a brief statement into the record.

Motion made, seconded and unanimously carried to move to the regular agenda the following:

RESOLUTION

WHEREAS, Section 271.114(a) of the Texas Local Government Code requires the governing body of a governmental entity that is considering a construction contract of a facility using any of the alternative project delivery methods set out in section 271.113 of the Texas Local Government Code, other than competitive bidding, before advertising proposals for construction services, to determine which method provides the best value to the governmental entity; and

WHEREAS, the City Council of the City of El Paso, by resolution dated March 12, 2002, has previously adopted to use the competitive sealed proposal method to procure contracts for the construction of facilities and has previously determined that using the competitive sealed proposal method provides the best value to the City when procuring contracts for construction of facilities; and

WHEREAS, the City Council of the City of El Paso now adopts to use any of the following methods that provides the best value to the City when entering into a contract for the construction of a facility:

- 1) competitive sealed proposal,
- 2) design build, or
- 3) job order contract for the minor construction, repair, rehabilitation or alteration of a facility if the work is of a recurring nature but the delivery times are indefinite and indefinite quantities and orders are awarded substantially on the basis of predescribed and prepriced tasks.

WHEREAS, the City Council of the City of El Paso hereby designates the Director of Purchasing to determine, before advertising, which one of the above methods provides the best value to the City;

WHEREAS, adopting to use the design build method will require an amendment to Title 2 of the City's Municipal Code to set out the selection procedures.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF EL PASO:

THAT the City of El Paso hereby adopts to use any of the following methods that provides the best value to the City when entering into the a contract for the construction of a facility:

- 1) competitive sealed proposal,
- 2) design build, or
- 3) job order contract for the minor construction, repair, rehabilitation or alteration of a facility if the work is of a recurring nature but the delivery times are indefinite and indefinite quantities and orders are awarded substantially on the basis of predescribed and prepriced tasks.

THAT the City Council of the City of El Paso hereby designates the Director of Purchasing to determine, before advertising, which one of the above methods provides the best value to the City.

THAT City Council hereby directs staff to amend Title 2 (Administration and Personnel) to establish selection procedures for design build firms.

Mr. Byron Johnson, Director of Purchasing, explained that the resolution language would improve the methodologies used by the Purchasing Department when awarding design building and job order contracts.

Motion made by Representative Lozano, seconded by Representative Cushing and unanimously carried to approve the above resolution.

*RESOLUTION

WHEREAS, section 271.114(b) of the Local Government Code requires that a governmental entity that is using the alternative project delivery methods, for selecting a contractor for the construction services of a facility, to publish in the request for proposals all the criteria that will be used to evaluate the offerors and the relative weights given to the criteria; and

WHEREAS, section 271.116(f) of the Local Government Code also requires that the governmental entity shall select the offeror that offers the best value for the governmental entity based on the published selection criteria and on its ranking evaluation; and

WHEREAS, the City of El Paso, by resolution dated April 23, 2002, has previously determined that the criteria, and the relative weights, that provides the best value to the City when entering into a contract for the construction of a facility was:

- the purchase price - which allows for a maximum of 70 points;
- the offeror's past relationship with the City - maximum of 10 points;
- the offeror's experience and qualifications - maximum 10 points; and
- the health benefits the offeror provides to its employees - maximum 10 points; and

WHEREAS, the City Council of the City of El Paso now determines that the criteria, and the relative weights, that provides the best value to the City when entering into a contract for the construction of a facility is:

- the purchase price – which allows for a maximum of 65 points;
- the offeror's past relationship with the City - maximum of 10 points;
- the offeror's experience and qualifications - maximum 10 points;
- the health insurance benefits the offeror provides to its employees where 60% or more of the cost must shall paid by the offeror/employer - maximum 5 points;
- the prime contractor has a local project manager – maximum 5 points; and
- Local subcontractors shall work a total of 75% or more of the cumulative total of all subcontracting work – maximum 5 points.

- *Local is defined as the ability to respond on site to a project emergency within a thirty-minute time frame
- *Project Manager is defined as the employee in charge of the project and that has the authority to take action on the project.

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF EL PASO

THAT the criteria, and the relative weights, that will be published and used to evaluate which offerror provides the best value to the City when entering into a contract for the construction of a facility is:

- the purchase price – which allows for a maximum of 65 points;

*Motion made by Representative Cobos, seconded by Representative Cook and unanimously carried to award Bid No. 2004-187R Wireless Local Area Network Service Concessionaire

Representatives Austin and Rojas were not present for the vote.

Award to:	Opti-Fi Networks
	Annapolis, MD
Item (s):	All (Option #2)
Amount:	\$3,600.00 (Minimum Annual Guarantee for the first year of the contract)
Department:	Department of Aviation
Funds available:	Revenue Contract
Funding source:	Revenue Contract
Total award:	\$3,600.00 (Minimum Annual Guarantee for the first year of the contract)

The Review Committee for the Wireless Local Area Network Service Concessionaire's RFP for the Department of Aviation recommends award as indicated. Opti-Fi Networks submitted the highest ranked proposal to meet the needs of the City, therefore this agenda item is that City Council award RFP 2004-187R as indicated to the highest ranked proposal.

Wireless High Fidelity (Wi-Fi) is an advanced data communications technology utilizing a wireless systems infrastructure to deliver very fast, high quality and convenient access to the Internet. Wi-Fi can enable secured private access through the Internet for the traveling public to access their respective services. Areas for which services would be provided include passenger waiting and holding areas, and within the Airport's restaurants and bar areas.

This is a concession, revenue-generating contract for five (5) years at the El Paso International Airport. The Minimum Annual Guarantee is the greater of 18% of gross revenues, or the Minimum Annual Guarantee reflecting a graduated scale ranging from \$3,600 for the first year to \$18,000 cumulative through the fifth year.

Vendor offers the City the option of extending the term of the contract for twenty-four (24) additional months at the same unit prices, if the option is exercised within two (2) years from the date of award of the contract. The Contract will officially begin at 12:01 A.M., July 21, 2004.

WHEREAS, City Council recognizes that the citizens of El Paso have an interest in the viewing the El Paso Central Appraisal District meetings;

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF EL PASO:

THAT the El Paso Central Appraisal District Board of Directors is urged to decide to televise their meetings and implement the means to allow for the televising of those meetings for the benefit of citizens of El Paso.

Representative Power opened the discussion.

Mr. Mike Rooney, citizen, read from a prepared statement and requested that the Council approve the resolution urging the Central Appraisal District Board of Directors to televise their meetings.

Representative Cushing noted that he would place an item on the Central Appraisal District Board meeting agenda addressing televising the meetings and noted that the meetings are held on the second Thursday of each month.

Motion made by Representative Power, seconded by Representative Cushing and unanimously carried to approve the above resolution.

Representatives Austin and Cobos were not present for the vote.

Motion made by Representative Power, seconded by Representative Cushing and unanimously carried to approve disbursing discretionary funds in the amount of \$500.00 per tool shed from each district as agreed upon by City Representatives for funding of Keep El Paso Beautiful Community Tool Sheds program.

Representative Austin was not present for the vote.

NOTE: Item was revised.

Representative Power apologized for the agenda wording and urged the City Representatives participation in the toolshed program and contribution of \$500.00. He commended Ms. Palafox for her initiative and community work.

Ms. Katherine Palafox, citizen, explained the Keep El Paso Beautiful Community Tool Sheds program, noting that the tool sheds would be located at 21 fire stations throughout the City, for community use. She thanked the Home Depot for their matching funds, Mr. Mark Alvarado, Neighborhoods First Initiative representative, and the Fire Department.

Representative Lozano suggested utilizing community service workers assigned through the Municipal Court to help clean up the streets.

.....
RESOLUTION

WHEREAS, HB 2292, as adopted by the Texas Legislature during the 78th Session and signed into law by the Governor on June 10, 2003, mandates the reorganization of 12 state health and human services agencies and functions into five new agencies; and

WHEREAS, part of the state's consolidation is a proposal for the closure of more than 200 local Department of Human Services (DHS) offices and to replace them with three call centers and use of the Internet to determine eligibility of potential DHS health and human services program recipients; and

WHEREAS, closing these offices and replacing them with call centers and use of the Internet will make access to DHS health and human service programs more difficult, resulting in fewer people receiving these services; and

WHEREAS, HB 2292 also changes eligibility requirements for Medicaid and the Children's Health Insurance Program which will result in 26,725 fewer El Paso County residents being covered by state health insurance programs and the loss \$109,301,990 in federal/state Medicaid and CHIP money spent locally; and

WHEREAS, local programs such as indigent health care will be responsible for providing health care and other services for those who no longer qualify for federal/state services such as Medicaid and CHIP; and

WHEREAS shifting local residents into local programs such as indigent health care amounts to an unfunded mandate on local taxpayers; and

WHEREAS the closure of local DHS offices will result in the elimination of 646 local jobs and the loss of state and federal funds amounting to \$13 million that circulate and stimulate the local economy;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF EL PASO:

That the El Paso City Council does respectfully request appropriate State of Texas entities and officials not to implement HB 2292. She asked the Council to approve the resolution and she would personally deliver the resolution to Governor Perry.

Representative Rojas opened the discussion and explained that HB 2292 would directly impact El Paso and its citizenry.

Ms. Judy Lugo, President, Texas State Employees Union, addressed HB 2292 and the implementation of automated call centers. She enumerated the services provided to DHS clients and the negative impact the call center will have on the community.

Mayor Joe Wardy explained that the matter was a legislative decision by the House and Senate of the State of Texas.

Representative Cook suggested that the Resolution be discussed during the Special Legislative Session.

Ms. Yolanda M. Griego, Texas State Employee Union member, commented on the impact of HB 2292 and that HB 2292 would not improve the lives of needy Texans. She spoke against the closure of DHS offices, adding that, as a State employee she would be affected by the anticipated closure.

Mayor Wardy encouraged Representative Rojas to amend the last sentence of the resolution.

Representatives Cushing, Austin, and Lozano commented on the matter.

Motion made by Representative Rojas, seconded by Representative Cushing and unanimously carried to approve the above resolution.

NOTE: Resolution was revised.
